Question # 5

Please provide a list and briefly describe your firm's community investments and/or partnerships with the City and/or local non-profit organizations related to job growth, affordable housing, home ownership, and foreclosure prevention within the City of Los Angeles.

Job Growth

Small business lending is a priority for U.S. Bank and with our focus on getting capital to small businesses we are directly helping these businesses grow and create new jobs. We provide grant funding to many nonprofits that provide small business technical assistance to small business owners to help them grow their businesses. Our employees also speak on small business topics at their conferences and events. We have also provided significant investments for micro-lending to allow nonprofits to provide loans to business owners that cannot yet qualify for bank loans. Some of these organizations include:

- Valley Economic Development Center
- Business Resource Group
- Pacific Coast Regional Small Business Development Center
- Asian Pacific Islander Small Business Program
- Asian Business Association
- Black Business Association
- Latino Business Association
- RISE Financial Pathways

We also work with a large number of organizations that provide job skills/workforce training programs as well as job placement to help those that are homeless or unemployed get on the path to self sufficiency. We also provide grant funding to support their programs. Some of these partners include:

- Chrysalis
- Downtown Works – nonprofit partnership between Chrysalis and Central City Association to focus on job training/placement for homeless and at risk in downtown Los Angeles. U.S. Bank is a founding funder.
- Los Angeles Opportunities Industrialization Center
- Jewish Vocational Services - BankWork$
- Los Angeles Brotherhood Crusade
- Dress for Success
- Pacific Asian Consortium for Employment (PACE)
- Streetlights

In 2014, U.S. Bancorp Community Development Corporation (USBCDC) invested in New Markets Tax Credits (NMTCs) related to a variety of projects that created employment opportunities. One example is the an investment used to finance the L.A. Prep Kitchen acquisition and rehabilitation of a former manufacturing facility into a multi-tenant food production center that provides functional, affordable and fully permitted wholesale food production space to successful small- and medium-sized food companies that have outgrown their start-up facilities. L.A. Prep Kitchen’s rigorous job training program prepares unemployed individuals, particularly youth aging out of foster care and
older adults exiting the prison system, for careers in the culinary industry or with Strong Foods, L.A. Prep kitchen’s social enterprise business. L.A. Prep Kitchen projects graduating 100 students annually, who will collectively earn over $2MM in salaries, and contribute over $200,000 in payroll taxes.

Another project that creates jobs supported by USBCDC investment in NMTCs is the acquisition and conversion of an underutilized commercial property in a highly distressed area of Koreatown into the Equitas Academy Charter Middle School that will accommodate 350 primarily Latino English Language Learners from low- and moderate-income households. 94% of the student body qualify for free or reduced lunch. 23 permanent jobs and 162 construction jobs are projected to be created.

**Affordable Housing**

U.S. Bank partners with many affordable housing organizations by providing financing for their projects that create and maintain affordable housing for low and moderate income individuals and families. We provide financing via community development loans and/or Low Income Housing Tax Credits (LIHTC) for their housing projects. We have provided low cost pre-development funding via our Patient Loan Program. We also have provided grant funding for resident programs. Some of our affordable housing partners include:

- Abode Communities
- Retirement Housing Foundation
- Enterprise Community Partners
- Hollywood Community Housing Corporation
- Little Tokyo Service Center Community Development Corporation
- Downtown Women’s Center
- SRO Housing
- Gay & Lesbian Elder Housing
- A Community of Friends
- New Directions for Veterans
- Skid Row Housing Trust

In 2014, U.S. Bank and USBCDC provided financing for pre-development costs and construction financing for multiple affordable housing projects in neighborhoods within the City of Los Angeles. Support was provided through term and revolving construction financing, direct LIHTC investments and LIHTC equity fund investment. Construction term and revolving financing and direct investment in LIHTC investments supported the development of 666 units of multifamily housing affordable to tenants earning 30% to 60% or less area median income (AMI). Tenants included, but are not limited to, seniors, veterans, the previously homeless, and persons with developmental disabilities. LIHTC equity fund investments were related to the development of 1,746 units of affordable housing affordable to tenants earning 80% AMI or less.

**Homeownership and Foreclosure Prevention**

U.S. Bank partners with many organizations that provide home ownership counseling, transitional housing, and foreclosure prevention counseling and events. We participate in homebuyer seminars, provide teams to attend foreclosure prevention events, and provide grant funding. Some of these organizations include:
• Neighborhood Housing Services of Los Angeles County
• Clearpoint Financial Solutions
• Korean Churches for Community Development (KCCD)
• East Los Angeles Community Corporation
• West Angeles Community Development Corporation
• Habitat for Humanity Greater Los Angeles
• Operation Hope

U.S. Bank also supports organizations that provide transitional housing for those trying to get back on their feet and into permanent housing. Some of these organizations include:

• LA Family Housing
• People Assisting the Homeless (PATH)
• Upward Bound House
• Los Angeles Mission
• Midnight Mission
• Harvest Home
